

iTEP Placement

Fast, convenient, affordable English testing

Fast, convenient, affordable English testing for IEPs

iTEP Placement is designed to fit the specific needs of any English language or Intensive English Program (IEP). The test is delivered online or paper-based and assesses beginner to advanced-level English, with immediate scoring to fit the strict time constraints of the beginning of term.

Each section of iTEP Placement includes tasks targeting beginner to advanced levels of English proficiency to fit diverse program levels. As with all other iTEP exams, iTEP Placement is aligned with the Common European Framework of Reference (CEFR), and score reports provide a level designation from A1 – C2. iTEP International staff works with clients to align iTEP to existing program levels.

Untimed with an average completion time of 45 minutes for mid-level proficiency.

Available in both online and paper-based formats

Score reports are delivered by email or accessible online immediately after completion.

Placement is delivered in a single fixed-form.
